About Peppermint Innovation Ltd

Peppermint Innovation is an Australian company focused on the commercialisation and further development of the Peppermint Platform, a mobile banking, payments and remittance technology designed for banks, mobile money operators, money transfer and funds remittance companies, payment processors, retailers/merchants, credit card companies and microfinance institutions. Peppermint currently operates the Peppermint Platform in the Philippines.

Peppermint has a particular focus in the developing world (starting with the Philippines) and on providing an attractive tool to the unbanked population to access mobile banking and remit money to and from family and others through a system not tied to a particular bank or telephony company.

The Peppermint Platform is now being used by leading commercial banks in the Philippines.
